NOVEMBER 2023

Austere and profound, this wine's aromatics reveal deep notes of blackberries, plums and salty black olives. On the palate, it is brooding and lush, reminiscent of blackberry pie accented by a subtle hint of green olive and iodine. Abundant structure and acidity promise the potential for further aging well through 2030+. —A.C.C.

DECEMBER 2022

...Offering deeply concentrated dark berry preserve, bitter cherry, mocha and exotic spice flavors that are sweetened by a suave floral pastille accent. Shows superb delineation and mineral thrust on the youthfully tannic finish, which lingers with strong, floral-driven tenacity... —J.R.
