JULY 2021

An immediately appealing sparkling wine, brimming with apple and lemon aromas, but also delicate yeasty and freshly baked white-bread notes. The creamy mousse complements the lively acidity very nicely and, in spite of the impression of lightness, the finish is long with a spot-on balance. Drink now. – J.S.

...Bristling with mineral intensity, balanced by an attractive note of buttery bakeshop and crispy bread... A fine bead of bubbles coasts across tension-filled textures, as brisk acids bring an inner sweetness to its orchard fruits along with sweet florals... A remarkable value. – E.G.
