So deep and complex, yet also brimming with herbal and floral aromas. On the full-bodied palate the monumental depth and great minerality are beautifully illuminated by dangerously fresh acidity that makes the wine lift off at the stunning finish. Surely has great long-term aging potential, though totally delicious now. Drink or hold. – J.S.

...Deep, clear, ripe and rich yet also delicate fruit with stony and citric notes. Silky, elegant and supple on the palate, this is a juicy, intense and powerful, very rich but elegant and saline Geisberg with an almost tropical fruit mélange on the long, dense and juicy finish... -S.R.
