JULY 2022

Incredibly concentrated... this is a giant dry riesling that somehow remains delicate and light on its feet. Totally focused and crystalline, with subtle notes of floral honey and the ripest possible pears. Fabulous texture at the very long and refined finish... -J.S.

JANUARY 2023

...A slight hint of dried fruit, golden sultana and dried lemon peel. The palate, again, is precision itself. Fluid, textured and rich but compact in shape, it's formed by stone and almost viscous at its core. Lemon and citrus swirl headily but in a forward direction, towards a kind of citrus nirvana. The essential coolness remains. As does a real salty tang on the finish. The citrus finish is endless. (Bone-dry) -A.K.

MARCH 2023

...Shows a bright yet still phenolic bouquet... and juicy fruit on the elegant, complex and powerful palate. The 2020 reveals fine-grained acidity and a distinctive mineral straightness... -S.R.
