SITO DELL'ULMO SINGLE
VINEYARD MERLOT, SICILIA
MENFI DOC 2014

Sicilia Menfi DOC, Italy

91

POINTS

DECEMBER 2018

This is a darkly concentrated wine with soft cherry layering that segues to spice, plum and moist earth. This is not your usual Merlot by any stretch because there is a wild, slightly green side here that resembles olive or Sicilian caper. But there's plenty of ripe cherry fruit to round off any hard edges. The wine becomes increasingly focused and centered after just a few minutes in the glass. – M.L.
