DECEMBER 2020

Elegant and focused, this lithe red offers aromas of fragrant blue flower, wild red berry and Mediterranean scrub... The savory, ethereal palate delivers juicy strawberry, sour cherry, star anise and a saline note alongside glossy tannins. Vibrant acidity adds even more energy to the mineral tension. —K.O.

...Understated and feminine, speaking more in whispers, the soft textures giving way to pure red fruits backed by salty minerals, inner violet florals and hints of lavender. There's a twang of residual acids that tugs at the cheeks through the finish as this tapers off with a refreshing feel... — E.G.

DECEMBER 2020

...Medium-bodied, it has quite fine, silty-textured tannins and bright cherry, green herb and black olive flavours, along with lovely bright, juicy acidity and a long, savoury finish. It makes a great food wine that will go well with any robust casserole or salty, creamy goats' cheese dishes. — S.H.
