Essence of rose petal along with mirabelle preserves, mint candy and brown spices... joined on a thickly-rich palate by honey, chocolate and white raisin... This preserves a juicy sense of leavening and refreshment in a finish of extraordinary persistence... Should be a 50 year wine. – D.S.

Firm acidity structures this spiced version, which offers flavors of baked peach, beeswax, verbena and green tea. Rich and medium-bodied, with fine texture and a note of kumquat that gains momentum on the finish.

– A.N.

Dense, glycerol and super-concentrated; like an essence of spice... The wine's thickness is perfectly cut by sound, ripe acidity, giving it impeccable balance and considerable early sexy appeal. Offers a wonderful combination of fresh fruit and pure botrytis spiciness. – S.T.
