WEB 2017

This racehorse of a wine marries power and grace, ...aromas of ripe white fruit and slate-tinged mineral... A buoyant quality to the acidity that enlivens the creamy, finely meshed flavors of white nectarine, with notes of Meyer lemon zest... accents of star anise, marjoram and saline. The long finish goes on and on. – A.N.

JUNE 2017

Opens with a very clear, fresh and cool bouquet, indicating lovely, concentrated, precise and fresh fruit. On the palate, this is a highly elegant, pure, rich, intense but lifted and finessed Riesling à la Trimbach, with fine but concentrated fruit, good acidity and a lingering salinity. – S.R.

MARCH 2017

Violet, grapefruit and minerals on the explosive, complex nose. Enters large and soft, offering flavors similar to the aromas, then linear and very precise, with a tactile mouthfeel and a beautiful lemony finish. This tastes very dry... – I.D.
