SEPTEMBER 2016

Bright and creamy, this harmonious white wraps vibrant acidity with layers of honeyed apricot, lemon parfait, creamed almond and fleur de sel. Medium-bodied and mouthwatering, with exotic spice, mineral and lemon zest accents playing on the finish. – A.N.

OCTOBER 2015

Full-bodied, very elegant and lovely piquant on the palate this millésime seems to be quite sweet in its intensity but is also piquant and provided with a racy and almost piquant acidity and structured by very fine tannins....finesse and elegance. – S.R.

FEBRUARY 2016

Reticent aromas of apple, pear and lemon zest. Round on entry, then austere in the middle, showing strong lemon peel, green apple and mint notes...Will need at least a couple more years of bottle aging to show all it's got. – I.D.
