SEPTEMBER 2015

This is really deep and dense with a long, long finish. It's full-bodied plus has mineral, salt and dried fruits. Very powerful with a super finish that's generous and sexy. – J.S.

JUNE 2017

A rich and concentrated, powerful but elegant and balanced Sainte Hune... the tannins will take the 2011 through many years, even though there is an initial hint of maturity already. Some caramel flavors in the finish. – S.R.

NOVEMBER 2017

A broad and creamy white, with a firm frame of acidity that's pleasingly juicy on the palate, enlivening flavors of white cherry, honeycomb and chamomile... A racy finish of spice and flint. – A.N.

NOVEMBER 2012

Enters with lime and green apple notes, then turns riper and richer in the middle, showing more exotic banana and passion fruit qualities with air. Finishes very fleshy, saline and long. – I.D.
