## CLOS STE. HUNE RIESLING 2016

Alsace, France

POINTS  
vinous

SEPTEMBER 2017

Penetrating nuances of lime and guava join the lemon verbena, jasmine, mineral and white stone fruit aromas on the knockout, captivating nose. Then dense, complex and multilayered, offering profound flavors of fresh citrus fruit, sweet spices and talcum powder. Closes extremely long, clean and precise; this is a young white wine of utterly mesmerizing beauty. – I.D.

AUGUST 2021

...A 2016 that runs on clean energy, starting from the first taste that immediately brings a tingle on the tongue—... Can almost feel the fruit coming into ripeness as each taste develops... from underripe apricot to fuller yellow plum and a tense, herbal savor. This is a cellar-worthy wine that manages to be sexy as well. – T.T.

JANUARY 2024

Poured from a tall double magnum, this stony, nervy wine with 8 grams per liter acidity is still a juvenile, showing a steely tang, effusive petrol and peach-pit aromas and great concentration... –J.S.

AUGUST 2021

A chiseled white, deftly knitting a lovely range of ripe nectarine and plum fruit, Meyer lemon peel and fresh rosemary notes with laserlike acidity and a rich undertow of petrol and brine. It's finely detailed and lightly chalky in texture, with the juicy fruit and mineral notes returning to echo on the finish. This is a pleasure right now but will continue to shine over time... – A.N.
