WEB 2017

A phenomenal wine with roasted pineapple, dried pear, apple and mineral. Full body, incredible depth of fruit and liveliness with electrifying acidity. It goes on for minutes. Production was half. 2,000 cases. Out in 2017. – J.S.

Deep, intense aromas of yellow apple, Mirabelle, jasmine and anise. Dense, suave and tangy, showing a lovely light touch and noteworthy lift to its flavors of apple, pear, minerals and flowers. Finishes cool, vibrant... with lingering notes of mint and liquid minerals. – I.D.

The 2010 (grown organically) has a proportion of malolactic, giving a rounder, gentler feel.... With notes of apple, plum and turmeric. Full, dry, expressive, generous, complex; this is wonderful. – M.W.

Intrigue of oyster liquor, iodine, and oyster shell. White peach... hints of huckleberry, sloe berry and nut oils lend succulence as well as piquancy to the long, lemony, almost piercingly bright, minerally palate-coating finish. – D.S.

This finely knit white is long and lacy, offering a lovely range of dried apricot, Gala apple and sliced almond flavors backed by vibrant acidity and tangy minerality. Drink now through 2027. – A.N.
