Alsace, France

A touch of tar plays about the intense red-currant-jelly notes on the nose, with a hint of licorice. The palate is poised with freshness and a shimmering lightness. Despite the taut style, the red-fruited juiciness pervades everything to make the wine playful. – A.K.

Bright deep ruby. Herbs and flint on the stone-accented dark berry aromas and flavors. Finishes long and mineral, featuring lingering hints of gunflint and small dark berries. ... bright and fresh. - I.D.
