

SAGET LA PERRIÈRE

LOIRE VALLEY, FRANCE

If ever a river and the surrounding landscapes encapsulated the French national identity and lifestyle, it would surely be the Loire and the wine regions that line it. Stretching from one side of the country to the other, the river of kings has been the homeland of the Saget family for nine generations. Originally from Pouilly-sur-Loire, they decided over twenty years ago to head off in search

of other treasures that this beautiful wine region could offer. Over the years, their quest led them along both banks of the river, reaching out to local winegrowers and terroirs. Saget la Perrière signature brands epitomize the hallmark accessibility and freshness of Loire wines. Their wines embrace a unique showcase range of Loire appellations; from its original home in Pouilly sur Loire to Sancerre, Chinon, Vouvray, Anjou & Muscadet forming an unprecedented collection across the Loire Valley.

- Six distinct estates, and 890 acres of vines located in the finest appellations, in partnership with family vine growers in each terroir.
- The La Perrière winery is located within a 200 million year old natural cave, providing the ideal natural space to allow the wines to age and develop.
- A deep family history in the region, nine generations in Pouilly sùr Loire.
