JANUARY 2019

Delicate spicy nuances and sweet apple and pear aromas on the inviting nose. Then flavors similar to the aromas, and above-average acidity for a wine made with so much Auxerrois (this is a blend of 80% Auxerrois and 20% Pinot Blanc)... It's an outstanding Auxerrois wine. –I.D.

APRIL 2019

Faint notes of green and yellow pear on the nose mix with a quiet tang of lemon. The palate is dry, slender and gentle, with juicy fruit and great purity. – A.K.

This has an attractive nose with an array of white-peach and pear aromas, leading to a fleshy and rich palate that offers a very drinkable, dry-ish feel. Drink now. – J.S.
