MARCH 2019

A wine of freshness, tension and energy. In spite of its youth, this wine shows a seductive complexity associated with the diversity of fruity and spicy flavours. For the first time, it also includes Cabernet Franc in the blend that provides a delicious herbal touch. – P.T.

MAY 2020

Ripe, nicely oaked berry aromas are well presented, while this Cabernet-led blend is tight, pure and fresh in feel. Herbal berry and plum flavors are layered with earth and spice notes, with wood spice and a touch of chocolate rising up on the finish. Drink through 2025. —M.S.

This has an attractive array of bright dark berries with a creamy-oak edge that leads to a very fleshy and attractive palate with a fresh-herb streak that cuts the finish crisply. Drink or hold. – J.S.
