MAY 2021

TFS TASTING NOTE: A great aromatic intensity... white flowers, red fruits and cherries... Fresh, fruity, and it also expresses a pleasant balance between acidity, tannins and softness. The finish is long and delicate. 100% Malbec.

APRIL 2021

A malbec with nicely purity and freshness, offering juicy, succulent plum and cherry aromas with a hint of iodine and iron. It's full-bodied and round-textured with a fruity finish. Drink now. –J.S.

MARCH 2021

...Produced in a fruit-driven and floral style, bottled unoaked to avoid any makeup and to present the purity of fruit. The fruit is ripe without excess, and the wine comes through as juicy and rich, with integrated acidity and round tannins. – L.G.
